Zapopan, Jalisco. On the ____ day of _____ of the year 20____

I hereby certify my free and voluntary adherence to form a school car pool among parents or guardians for mutual convenience, and we, the undersigned, are aware of the safety risks involved in driving a vehicle and transporting minors to and from school.

I declare my conformity and acceptance to abide by the School Car Pool regulations, traffic regulations, and parking rules of ITJ VR, as well as the current traffic laws in the community.

Therefore, by this act, I "waive all responsibility" from Instituto Thomas Jefferson Valle Real for any accidents, incidents, delays, or internal logistical issues of the car pool that may occur to me, my vehicle, the occupants, or any third parties involved during the commute between home and school or vice versa. Such incidents will be solely and exclusively my responsibility and not that of the Institute, as this is an agreement among private parties.

Note: The car pool tag, card, and liability waiver belong to ITJ VR and are valid only for the school year encompassing the **2024-2025** cycle. If the car pool is partially or fully terminated or if the tag and card are lost, it is mandatory to inform the Institute and return the assigned tags and cards.
